## WHAT IS A UNIT OF COMPETENCY?

Units of competency are the nationally agreed statements of the skills and knowledge required for effective performance in a particular job or job function.

Each unit of competency describes:

- A specific work activity
- Conditions under which the activity is conducted and;
- Evidence that needs to be gathered to determine whether the activity is being competently performed.

## PRIMARY HEALTHCARE SECTOR

## WHERE DO WE FIT IN?

IPN Training

Proposed Competencies

Primary Health Sector
