Australian Immunisation Register AIR

- **What is the Australian Immunisation Register?**
- The Australian Immunisation Register (AIR) is a national register which records vaccines given to all people Australia. This includes:
 - COVID-19 vaccines
 - vaccines given under the National Immunisation Program (NIP)
 - vaccines given privately, such as for seasonal influenza or travel.
- Recognized vaccination providers should record all vaccines given to patients – including through school vaccination programs – on the AIR.
- Fact sheet [Australian Immunisation Register \(AIR\) \(health.gov.au\)](https://www.health.gov.au/australian-immunisation-register-air)
